

2013 IESA and IHSA State Placers

This past weekend our junior high girls and boys, competed at the IESA State meet in East Peoria, IL and our high school girls competed at the IHSA State meet in Charleston. Both groups did a wonderful job representing our club and their respective schools. We are very proud of the efforts and the hard work that our club members take away from our program. The performances at both meets were outstanding and we are forever grateful to have a group of athletes who show such poise, strength, courage and respect when they step out on the track to and display their athleticism from hard work of their training to their classmates, school coaches and the rest of the nation.

Below are the final results for the IESA junior high meet athletes and our “medal placers” at the high school girls IHSA state meet.

We’d also like to wish all our high school boys the best of luck as they take the stage this weekend down in Charleston for the IHSA high school boys state meet.

IESA Junior High Flyers Results

7AA Division – Girls

Alecandria Henderson

Romeoville Martinez

2nd - 100m – 13.33
